A&WMA-NES Fall 2010 Conference

October 29, 2010
Doubletree Hotel
Westborough, Massachusetts

The Road to 2020 – Building Blocks to a Green Future – The Decade Ahead

The Air & Waste Management Association – New England Section (A&WMA-NES) is pleased to provide a neutral forum for institutional, regulatory and private sector professionals to discuss current developments in policies, initiatives and programs related to Greenhouse Gas (GHG) emissions, Air Toxics, New Source Review and “Green” Technology. This conference will provide updates on leading regulatory developments that will affect business strategy and operations for New England companies. This one-day conference will be held on October 29, 2010 at the Doubletree Hotel in Westborough, Massachusetts.

Four sequential sessions will include presentations by distinguished professionals in the following areas:

- **New Frontiers in Regulation – GHG/Area Source MACT.**
- **New Parameters for New Regulations.**
- **Carbon-Based Innovation.**
- **Three Perspectives on the Road to 2020.**

We are pleased and honored to have as our Keynote Speaker Laurie Burt, Commissioner of the Massachusetts Department of Environmental Protection. Our Luncheon Speaker will be Jill Rowe from Applied Science Associates who will give a presentation on modeling and ongoing analyses of the Gulf oil spill.
